Volkswagen Bora Owners Manual. The VW Bora is a good family car and injects some much-needed style into the small family saloon sector. Bora name didn't catch on and Volkswagen returned to the Jetta name it used on its bootied-Golf from way back in the 1970s. It's based on the Golf, so shares some its best attributes, like a pleasant interior, direct steering and some punchy PD

Discusses the history and culture of the former Soviet republic of Kazakhstan.

This book presents and analyzes the concept of online brand communities, an emerging and exciting topic in marketing and eCommerce. First, it lays out the foundations like the evolution of the Web and the so-called Social Web, its utility for users and businesses, and the evolution of the marketing mind-set to adapt the Social Web. On this basis, the book then presents a detailed analysis of online brand communities, examining the concept of virtual community with a specific

focus on virtual brand communities. In this context the book also explores recent trends related to branding and brand management. Next, it proposes a classification system for online brand communities, taking into account questions like the motivating factors for consumers to join, participate and stay in a community. The process of value creation in communities is examined from both business and consumer perspectives. The book draws to a close with a brief presentation of the process broadly accepted for the successful development of online brand communities.
